

Creating a Healthier America

AMGA Foundation Vision 2025 100 Million Healthier Americans by 2025

Innovation

Four Pathways to This Bold Goal

1

ADVANCE

Best Practices
Through Chronic
Disease
Collaboration

- ✓ Enhance Best Practices Collaboratives
- ✓ Innovate approaches to engage more medical groups and health systems
- ✓ Recognize high levels of performance
- ✓ Scale our proven campaigns to reach 100 million Americans

2

COMMUNITY

Research and
Partnerships

- ✓ Incorporate a broad community focus into programs
- ✓ Pilot community programs
- ✓ Tackle the social determinants, disparities, and environmental factors behind chronic conditions

3

ENGAGE

Patients
and Families

- ✓ Assist AMGA group members to work directly with patients and families to prevent chronic disease
- ✓ Train people to be proactive agents in their own care

4

INNOVATE

New Care
Models and
Synergies

- ✓ Collaborate with innovators in industry, academia, the insurance sector, and other areas with the latest priorities, technologies, and thinking
- ✓ Create a resource library of care model innovations

Our goal for a healthier America is within reach.
Join us in making it reality!
