Strengthen Your Commitment to Care

Join 400+ health systems and medical groups that provide care for more than one in three Americans.

Connect

- 3,500 healthcare executives discuss strategies and solutions across 11 Councils, including Women in Leadership
- C-suite leaders connect at our Annual Conference, Integration Summit, and collaborative events focusing on workforce optimization, physician engagement, and aligning care delivery with operational goals
- Leadership & Executive Accelerator Program connects emerging leaders with experienced executives

Advocate

- **Now is the time to intervene before Medicaid and Medicare cuts, commercial pressures, and administrative waste further impact patient care:**
  Share your priorities with your representatives through:
  - AMGA's District Advocacy Program
  - Capitol Hill Day
- Follow Capitol Hill news through AMGA's Filibusters and Fine Print Podcast, Regulatory Webinars, and weekly Advocacy ENews

Innovate

- The AMGA Value Care Network advances high-value care, revolutionizing care delivery with advanced tools, shared expertise, and patient-centered care
- Rise to Immunize® improves adult vaccination rates, with nearly 35 million administered vaccines directly attributed to the program
- Research and population health programs improved care for 45M+ patients over the past decade and delivered $600,000+ to AMGA members in the last year

Transform

- System Integration Virtual Executive Roundtables feature system leaders addressing innovative solutions to common challenges
- Benchmarking includes the nation's largest Compensation and Productivity Survey, as well Operations and Finance, and Medical Clinic Staffing data to optimize staffing and cost structures

Groups that join AMGA stay in AMGA, as evidenced by our 95% retention rate.
